The Business Case for Learning and Living the “7 Habits of Highly Effective People” is an exciting presentation that introduces managers to the best-selling book by Stephen R. Covey. Over the last 26 years, the “7 Habits” have introduced people to principles of effectiveness guaranteed to improve results at home and at work.

“Engaging Employees: How to Make Any Employee Better” provides managers with easy-to-learn strategies to motivate employees to become more productive and effective team members. Learn how speaking persuasively, recognizing positive performance, and confronting poor performance can greatly improve your organization.
